"A DAUGHTER OF THE SUN" BEST SHOW OF THE SEASON

The biggest audience of the season greeted The Hawaiian Musical play Monday night and a practically everybody is charmed with Hawaiian music this with the splendid acting carried the audience along as few have ever been in Scotland Neck proving it to be one of the best and most refined entertainments if not the best that ever had the boards here.

It was common to hear the most complimentary terms in regard to the play and the players. No adverse criticism which is common after some that are regarded among the best. Mr. Madry is to be congratulated on his ability to secure this fine troop.

ERROR AND OVERSIGHT

Two things crept into the article concerning Congressman Kitchin. One an egregious error in the heading where Ex Majority Leader of the House was intended, the other not giving credit for a part of the write-up to a Kingston correspondent. We regret this.
